

OLIVE ONE

TRACKED SELF PROPELLED TRACKED

HARVESTER WITH RADIO CONTROL

Details:

- Lower frame equipe with
 - ❖ Individual tracks and 2 wheel hydraulic motors
 - ❖ 4 stabilizers
- Rotating frame equipe with
 - ❖ Diesel Kohler Lamborghini engine KDW 1003 stage V 19,5 Kw
 - ❖ Oil cooler with thermostat
 - ❖ Double gear pumps GR 2
 - ❖ Oil tank with filter-drip independent, level and thermometer
 - ❖ Diesel tank
 - ❖ Proportional electro hydraulic distributor with 8 components
 - ❖ Battery 12 V 60 Ah
 - ❖ Panel board with led for sensor kit and fuses
- Worm screw fifth wheel with 360° rotation WITHOUT lock
- **N° 2 Telescopic arms**
- Third articulated arm vertical rotation 210°
- Vibrating shaker unit horizontal rotation 210°
- Harvest head with flexible fingers
- Harvest head with electro-hydraulic movement and regulation of amplitude and frequency
- Radio remote control with 3 proportional manipulators for articulated arm and tracks; switches for stabilizers, double movement speed, emergency button, frequency change, ignition button
- N° 2 interchangeable batteries and battery charger

OLIVE ONE

TRACKED SELF PROPELLED TRACKED

HARVESTER WITH RADIO CONTROL

Length track: 1950 mm

Weight track: 250 mm

Weight machine: 1500 mm

Support area: 4635x3185 mm

Max length arm: 8,52 m

Max height: 9,60 m

Unit length: 1,35 m

Weight 2000 Kg
